RIG360 NEW MEMBER ANNOUNCEMENT
BLANCHARD MACHINERY COMPANY

RIG360 is pleased to announce that Blanchard Machinery Company of South Carolina has joined the organization. Blanchard serves the South Carolina marketplace with 205 bays and 271 technicians via their locations in West Columbia, Florence, Hardeeville, Greenville, Longs, Summerville and Rock Hill. “The addition of Blanchard Machinery to the RIG360 service network perfectly complements our existing southeastern US membership and service locations” stated RIG360 Chairman Jon Robinson.

“Blanchard Machinery has a long history of growth, superior service, and customer loyalty. For over three decades, Blanchard has been the trusted leader in South Carolina by consistently providing the highest quality products and exceptional expertise, and we are happy to become a partner in the RIG360 national service organization” stated Blanchard Vice President of Growth Industries, Paul Clark.

ABOUT RIG360

RIG360, LLC, was established in 2019 to provide the on-highway truck industry with the highest-quality service locations throughout the U.S. Born with a commitment to industry-leading service and OE quality products, the RIG360 network is the most efficient, responsive and preferred Original Equipment-quality provider of parts and service to all makes of on-highway trucks.
